Dear Mr. Fitzwater,

I am pleased to report that the CIA Computer Study Panel is nearing the end of its study. The fourth, and hopefully final, draft of our report was distributed to the Panel members for their concurrence on 30 January. I am not aware of any substantial differences in views still remaining, although past experience tells me that I can expect a few comments.

Enclosed you will find a copy of the Executive Summary from our report. If you want to discuss it with me or the Panel before it goes in final, please let me know.

I am sorry that we were unable to complete our work on the schedule you requested, but I believe the additional time was needed and was well spent.

Sincerely,

— S —

C. D. May, Chairman
